REMARKS

It has since come to the attention of representatives for the assignee that in fact the assignee has attained Large Entity status.

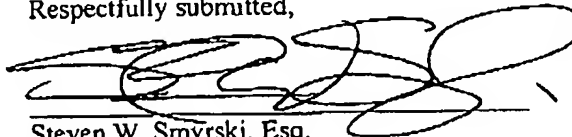

Applicant and Assignee expressly state that for all purposes, including payment of the present first (3.5 year) Maintenance Fee, the Assignee of U.S. Patent 7,210,010 has changed status from Small to Large Entity.

The Assignee had paid \$490 on October 19, 2010. The present Fee Schedule indicates that the correct Maintenance Fee for this case is \$980 (large entity), plus the \$130 surcharge for a payment made within six months of the due date.

Assignee submits herewith a PTO-2038 in the amount of \$620 in payment for the remainder of the Large Entity Maintenance Fee required and the six month surcharge. The Assignee submits that with the foregoing written notification of change in status from small to large entity together with the correct maintenance and surcharge fees, payment of the maintenance fee is acceptable and complete.

Applicant therefore believes that no additional fees are required beyond those included herewith. Should it be determined for any reason an insufficient fee has been paid, please charge any insufficiency to ensure consideration and allowance of this matter to Deposit Account 502026.

Respectfully submitted,

Steven W. Smyrski, Esq.
